CALLING SAN PEDRO ARTISTS REQUEST FOR ARTIST QUALIFICATIONS San Pedro Service Center

OVERVIEW

The Los Angeles County Arts Commission's Civic Art Program is seeking an artist or artist team to design and execute an exterior mural for the San Pedro Service Center in downtown San Pedro (769 West Third Street). This opportunity is open to artists who live or work in San Pedro, and who have a strong affinity with the San Pedro community. This is also a great opportunity to involve youth in the design and/or implementation of the artwork.

BUDGET

An all-inclusive budget of \$13,500 includes artist fees, liability insurance, fabrication and installation.

SAN PEDRO AREA

San Pedro is a neighborhood in the City of Los Angeles located at the southern tip of Los Angeles County. It was annexed by the City in 1909, shortly after the busy Port of Los Angeles opened in San Pedro Bay. It is an ethnically diverse community with a rich history and has a population of 72,000.

THE SAN PEDRO SERVICE CENTER AND ITS RENOVATION

The San Pedro Service Center, operated by the Department of Community and Senior Services (CSS), provides a wide range of educational, social, and recreational activities to senior citizens and adults. Programs and services include emergency food distribution, classes in a variety of subjects including computer training, a Senior Nutrition Program, and support and assistance to seniors with issues such as social security, health care and housing.

The center is being renovated to add a new senior/multipurpose room, two day care/classrooms, and storage. The artwork will be installed when the renovation is complete, in the summer of 2010.

SITES FOR ART

Possible sites for artwork include a wall next to the main entrance and a large wall which faces the Center's exterior patio area (seen above).

CRITERIA FOR SELECTION

The artist or team will be selected according to the following criteria:
