

NEED ARTS FUNDING?

The **Organizational Grant Program** (OGP) provides nonprofit arts organizations funding to address priority needs and ensures cultural services for the diverse communities in LA County. These two-year grants support arts organizations whose services positively impact residents, neighborhoods, and communities by providing direct access and increased opportunities for quality arts activities and programming that is often free or low cost.

Join us for a FREE workshop to review application questions, eligibility, and grant requirements. At these workshops, Arts and Culture staff will be on hand to help new (and returning) applicants put their best foot forward.
